### RAISING PRICE OF BREAD INVESTIGATED BY U. S.

(By Review Leased Wire)  
NEW YORK, Oct. 7.—Complaint that master bakers in combination have increased the price of bread one cent a loaf and have threatened to use violence against independent

bakers to refuse to join them, will be investigated by District Attorney Swann, it was announced tonight. The investigation followed the receipt of several complaints from housewives that the price of the five-cent loaf had been raised to six cents and that the bread was less substantial.

## Relieves Serious Case of Chronic Constipation

### DR. CALDWELL'S SYRUP PEPSIN CORRECTS CONDITION THAT SEEMED HOPELESS.

After suffering from chronic constipation until she was so run down she was unable to do any kind of work, Miss H. A. Frees, 209 Adams St., Dayton, Ohio, obtained a bottle of Dr. Caldwell's Syrup Pepsin and used it with such gratifying results that she continued the treatment and has written to Dr. Caldwell that her condition is again normal, and that she wants to recommend Syrup Pepsin to everyone who suffers with constipation.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, gentle in its action and free from gripping or other pain or discomfort. It contains no opiate or narcotic drug, and, while acting readily on the most stubborn case of inactive bowels, is absolutely safe for the tiniest babe, so that it is the ideal family laxative and should be kept on hand in every household for use when needed.

Dr. Caldwell's Syrup Pepsin costs only fifty cents a bottle and is sold in drug stores everywhere. To avoid im-

itations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

### IF THE G. O. P. ELEPHANT COULD SPEAK THE TRUTH

Voters of the U. S. A.—

We, the Republican party, being at our wits' end and desperate, put it up to you:

For nearly four years now a Democratic administration has been in power. Contrary to every law of reason, every principle of progress, the country is at peace and alive—may humming with prosperity. Business is rushing. Wages are high. The only discontent is the discontent of those who are reaching for bigger chunks of plenty.

We are flabbergasted. All this has happened during a period when the rest of the world has been agog, when international crises were impending on all sides, when we would have sworn only Republican state-manship could pull the nation through.

No war has engulfed us. No panic has paralyzed us. No nation has with impunity continued to infringe upon our rights.

We can't deny what has been done. All we can do is take our oath we could have done it better. How, we do not know. If only we said it loud and long enough we hoped the country would believe us.

But the country is busy, and our voices grow hoarse. We are having a hard time.

Woodrow Wilson has nothing to show us but what he has accomplished. He has none of the glamour of the win-at-battle. We, on the contrary, have our old promises and policies mellowed by age, but still bearing the stamp of the nation's solid interests. Protection, privilege, government by influence—surely the country has not given them their last trial.

Wall street is with us. Big business is with us. But, oh, voters, we confess it, we need you. Don't keep looking at the peace and prosperity around you. Try to get our point of view. What ever Wilson has done, the man is a Democrat, and neither federal government nor federal offices were meant to be forever in his hands.

Let's forget issues and talk as friends. Turn him out and give us a chance!

### PRaises WILSON'S STAND IN BEHALF OF SUFFRAGE

The action of the National Woman Suffrage association at Atlantic City, N. J., in rejecting by an overwhelming vote the proposal to make the suffrage movement a partisan annex of the Republican campaign was further emphasized by Dr. Anna Howard Shaw, "the sage of suffrage," in an interview published in the Philadelphia Press, a staunch Republican organ.

"The president in his speech to the convention promised all he could carry out," said Dr. Shaw. "If he had promised more we would have known that he could not carry it out."

"Not the Republicans alone, nor the Democrats alone, can bring suffrage. If it could be done that way I would favor it. But it can't. We must get enough Democrats and Republicans together to do it."

### AMBASSADOR PENFIELD GETS PARDON FOR ENGLISHWOMAN

VIENNA.—Through United States Ambassador Frederic Courtland Penfield a young Englishwoman named Ida Blackmore has received a full pardon from Emperor Francis Joseph after she had been found guilty of uttering incendiary pro-English remarks. She was governor on the estate of Prince Hohenlohe and was sentenced to eight months' imprisonment for having exclaimed that "the Germans must be crushed!" Ambassador Penfield was appealed to because he represents British interests here during the war, and he put the case up to the Emperor.

## SAYS HOT WATER EACH DAY KEEPS THE DOCTOR AWAY

Drink glass of hot water before breakfast to wash out the poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation. ## SUGGESTIONS TO SICK WOMEN

### How Many Are Restored To Health.

First.—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism; it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

Third.—The great number of unsolicited testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Fourth.—Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.

### BURBANK OUT FOR WILSON. "THE GREATEST STATESMAN"

Announcing his support of President Wilson, Luther Burbank, the horticulturist wizard of California, said: "I believe him to be the greatest statesman we have ever had."

Mr. Burbank, the Edison of scientific horticulture, declared that without reserve he endorsed the position announced a week earlier by Thomas A. Edison. Both Burbank and Edison have

by Underwood & Underwood  
LUTHER BURBANK.

been lifelong Republicans. Edison put it this way:

"Times are too serious to talk in terms of Republicanism or Democracy. When it's America that is at stake men have got to vote as Americans. A fool or a coward would have had the United States in all sorts of trouble. As it is, we are at peace, the country was never more prosperous, and we have the strength that comes with honor and integrity of purpose."

### Greatest Benefit to Farmers.

When congress passed the rural credit bill a few weeks ago it placed upon the statute books a measure of greater direct benefit to the farmers of the United States than any legislation enacted since the creation of the department of agriculture, now nearly a generation ago.—The National Monthly.

## BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darken your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease. (Advertisement.)
